| TOPIC | TIME | ACTIVITY |
| :---: | :---: | :---: |
| Intro \& Purpose | 2 | Purpose <br> What, Why, How (p. 45 Leading Groups)—Objective <br> Ex. Today, we are meeting to take a look at your data, set a goal, and discuss how we might support you in reaching that goal. |
| Activating and Engaging | 3 | Let's start by talking about things you like to do and thinking about what you might want to do after you graduate high school? Where would you like to live? What do you want to do to make a living? |
| Exploring and Discovering | 5 | Data Dive Observations <br> - Pull up Student Profile report in data warehouse. (Let's decide beforehand the best parts of the report to show them, attendance, grades, etc...) <br> - What things are you noticing about the data? |
| Organizing and Integrating | 2 | Based on what you want to do after high school and these observations, what might be your goal for this spring? |
| Next Steps | 3 | What might be some steps we need to take to help you achieve this goal? How might we best support you? |
| Wrap-Up | 1 | Thank you so much today for the great conversation. I look forward to seeing us work together to help you reach your goal this spring. I will mark my calendar to check back with you in a couple weeks. In the meantime, if you need anything, please let me know. |
