

# Theories of Causation

Observation:

Use this space to record three possible theories of causation related to your observation:

- 1.
  
  
  
  
  
  
  
  
  
  
- 2.
  
  
  
  
  
  
  
  
  
  
- 3.

Circle one theory to test. In the space below, record at least three sources of data that you could use to confirm this theory.
